Takeaways

We will continue with our takeaway service on Monday, Thursday, Friday and Saturday evening and Sunday lunchtime.

Bookings

Seating inside will be vastly reduced as all tables will be positioned a minimum of 1 metre apart. There will be no seating at the bar. We will increase the number of tables outside, and diners will be given priority to Topsy Terrace. Should you wish to dine in the back garden, this will be from the Alfresco/takeaway menu only and will be served in takeaway boxes with disposable cutlery.

As we have limited tables, it is strongly advised you reserve a table if you are wishing to dine with us, especially if you want to be inside. We recommend that you reserve a table in advance if you are coming along just for a drink. Tables will be reserved initially for 2 hours

Please follow government guidance on who can dine together

Tables can be booked in advance by emailing: bookings@thefullmoonmorton.co.uk stating how many guests and whether you would like to be inside or out or by calling 01636 830251

We will be keeping a temporary record of our customers for 21 days to assist NHS test and trace with requests for data

The new experience

On arrival you will be welcomed by a host who will guide you through the new experience.

Our bar area will not be open, full table service for both food and drinks.

Our menu's will be single-used disposable

There will be no glasses, napkins, cutlery, condiments on the table. These will be bought to you once you have placed your order. We will be using sauce sachets only and condiments will be upon request.

We have kept your favourite dishes and drinks but slimmed down some of the choices to help our team manage all the changes.

We encourage Contactless payment and we will sanitise the PDQ machine before and after each use.

Safe and clean

We have carried out a COVID-19 risk assessment and the results will be shared with the team.

We have cleaning, hand washing and hygiene procedures in line with guidance

Where people cannot be 2m apart, we have done everything practical to manage transmission risk.

We will be providing hand sanitiser gel at various points and ask that you use on entering and leaving the premises.

A maximum of 2 persons will be allowed in the toilets at any one time, with a one-way system in place.

Children

We kindly ask that parents keep their children sat at their allocated table. The toy cupboard will be out of bounds. Entry to the play fort will be prohibited (this will be reviewed)
